SUMMARY

Motivated and versatile professional with a dedication to excellence and quick learning ability. Eager to apply my skills in a fast-paced environment, driving organizational success and fostering continuous improvement.

EXPERIENCE

Intern, Full Stack Development
Manipal Institute Of Technology   05/2024   06/2024
                                                          Manipal, India

Developed and maintained a full stack web application, enhancing user experience and backend efficiency.

- Collaborated with a cross-functional team to design, develop, and implement a
- responsive web application using HTML, CSS, JavaScript, and Node.js. Optimized backend processes and database queries, improving data retrieval speed and
- system performance.

Intern, Web Development
Thaniya Technologies   08/2023   09/2023
                                                         Mangaluru, India

Gained hands-on experience working on real-time front-end projects, improving both technical skills and practical knowledge.

- Developed and maintained user-friendly web interfaces using HTML, CSS, and
- JavaScript, enhancing overall user experience.
- Collaborated with developers to ensure seamless integration and functionality of web applications.

PROJECTS

Real Estate Website
HTML CSS Javascript Nodejs MongoDB   05/2024

- Designed and developed dual user management systems for buyers and sellers, ensuring secure and efficient user interactions.
- Implemented a chatbot, boosting user assistance and engagement by streamlining support processes.
- Enhanced platform features with advanced search capabilities, multimedia integration, interactive maps, and real-time chat support.
- Collaborated with a cross-functional team to identify and resolve bugs, contributing to a smooth and reliable user experience.

College HelpDesk
HTML CSS Javascript Nodejs MongoDB   10/2023

- Created an educational website focused on promoting rural learning and providing extensive resources.
- Enhanced educational opportunities by integrating a wide range of diverse resources for users.
- Designed intuitive, user-friendly interfaces to ensure easy access and seamless navigation.
- Collaborated with educators to curate and upload academic content, ensuring the website meets the specific needs of its users.

News Application
MERN (MongoDB Express React Node.js)   08/2023

- Built a dynamic news application using the MERN stack, allowing users to search news across multiple categories.
- Integrated various news APIs to provide a comprehensive and real-time view of current events.
- Developed a responsive, intuitive interface with React, ensuring seamless navigation and an optimized user experience.
- Implemented advanced search filters, enabling users to customize their news feed based on preferences like keywords and categories.

SKILLS

PROGRAMMING LANGUAGES
• C++ • Java

WEB DEVELOPMENT
• MongoDb • Express.js • React • •Node.js

DATABASE
• SQL • MongoDB

TRAINING / CERTIFICATIONS

1. Information Technology Specialist Certification for JavaScript
2. AI Specialist Certification from Certiport
3. Led a seminar on social awareness at a government school
4. The Complete 2024 Web Development Bootcamp on Udemy

EDUCATION

B.Tech | CSE
Srinivas University Institute of Engineering and Technology

2021   Present   Mukka, Manglore
                    CGPA **8.93** / 10

Pre-University
Hindu Pu College
2019   2021   Shirva, Udupi
                    Percentage **82** / 100

SSLC
Mahalakshmi English Medium School

2018   2019   Uchila, udupi
                    Percentage **83.5** / 100

KEY ACHIEVEMENTS

- Participated in Hackathon of CodeMeet-2023
- Coordinated college events
- 2nd Prize Winner in Webcraft Competition at Tech-Yuva
